Subject: Approval of Raven Lining Systems Raven AquaFlex 505 Hybrid Polyurethane Coating with Raven 175 Primer

Dear Mr. McGill:

This is in reference to your application in which you requested the City of San Diego (City) to evaluate the Raven Lining Systems Raven AquaFlex 505 Hybrid Polyurethane Coating with Raven 175 Primer for approval and addition to the City's Wastewater Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Raven Lining Systems Raven AquaFlex 505 Hybrid Polyurethane Coating with Raven 175 Primer. This product will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the Raven Lining Systems Raven AquaFlex 505 Hybrid Polyurethane Coating with Raven 175 Primer is, however, contingent on the following conditions:

- 1) The Raven Lining Systems Raven AquaFlex 505 Hybrid Polyurethane Coating with Raven 175 Primer is manufactured and assembled at 13105 E. 61<sup>st</sup> Street, Broken Arrow, OK 74012.
- 2) Raven Lining Systems shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Raven Lining Systems shall provide application/installation procedures for the product to ensure they meet the current Standard Specifications for Public Works Construction Greenbook and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Raven Lining Systems or any of Raven Lining Systems' authorized suppliers. Raven Lining Systems shall provide a list of approved installers to the City annually.
- 4) Any unilateral action by Raven Lining Systems without seeking prior consultation and agreement of the City in regard to the above-mentioned conditions and limitations shall constitute a breach of agreement, resulting in the deletion of Raven Lining Systems' product from the City's Approved Materials List.
